I begin with the Visual Art "mile markers" closest to the center of the Spiral. As I learn Visual Art skills, I will highlight them and move through the mile markers towards the outside of the Spiral. Highlighting my progress shows which skills I have experienced and which ones I've practiced to deepen and broaden my abilities. Looking at my progress from the center to the outside of the Spiral

Value Participate in art criticism and group Apply local values to drawn or schemes in the environment and artworks Identify basic color elements and painted objects through color and emotions Express different moods Paint using color screenes Create implied textures on paper Paint in either warm or cool colors or in clay Mimic shading with line and dot spacing Mi+ rints and shades of colors Use dots and lines as values aesthetic choices in for portion exhibits Create a variety of values Identify sets of complementary colors The trate one directional light See value changes Skillfully mix color Identify A volues ? Label a color wheel ly choose artwork for Make positive and negative shape space portfolio b Create unity by repeating elements Draw connect scale and proportion Make geometric shapes
Make geometric &
Tdentify geometric
S simplify objects into geometric shapes Recognize basic shapes in works Aesthetically divide shace Shark of the state Combine geometric & organic shapes Create positive & negative shape patterns/designs Apply Tessellation principles in making designs इस्टम् इन्हम्मीय वृतान्त्रकारम्म वर्षवरम् Create line variety Draw contour lines 27063 Aquotat 2001 toms work Apply structural lines Use geometric & organic lines Use ruler skills Explore with blind contour lines Draw changes in surfaces with cross-Mimic patterns and textures Cheate depth using I or 2 point Puo de la pula de la principa del principa de la principa de la principa del principa de la principa del principa de la principa del principa de la principa del principa de Anowing Yabrodits 1402 Perspective is a good indicator of where I am in my studies of Visual Art.
